Backpack Blessings Tuesday truck 2pm and packing at 4pm

Ross was program chair and introduced Jenny Pack who is the director of the 6th Cavalry Museum since July.

She was previously director of a settler museum near Austin Texas.

Tourism is a big part of the museum.

They are relating tourism more with the museum and changing the governance in that direction but the museum is a major component. In the transition they will expand beyond just 6th Cavalry in museum (although already had added things about items like the 6888).

They are looking at ways to increase awareness. They are doing a full inventory of eth museum and currently only open on Fridays.
