Dan did the inspirational moment with Carrie speaking for him.

1/12 was Backpack blessings with club sponsoring volunteers that evening.

Drop Your Drawer, District First Lady project, we will start collecting money fro school to buy underwear and socks for students on 1/15.

We had two new members joining. Welcome Geo and Kristy.

Britt was program chair and introduced Shawn Summey and Jerry Weaver with McLemore Resort.

What was Canyon Ridge has new owners and his being redone massively. They currently rent homes, have a golf course and a restaurant and limited conference space. The golf course had a \$5.5 million revision to it and a world class golf course and featured in Golf Digest. They have built a clubhouse and a destination restaurant. which they describe as an upscale bistro. It is an event venue and once the hotel is built the conference area will expand a lot. They plan to restructure the driving range and will start building a world class hotel soon. They aim to be a full resort.

We also learned Carrie's first hole in one was on that golf course. (correction Carrie says it was closest to pin not hole in one)
