We had 536 service hours last year.

Chris introduced the speaker, Scott Herpst the sports editor for the Catoosa and Walker newspapers.

He gave us his background, went to college to broadcast sports and found no job. He finally got a job with the newspaper as a sports writer, and before left from being hired learned he was the sports editor. He learned to do the job hands-on.

He told about a number of local players. LaFayette has a 6' 7" basketball player signing for a college today. LFO has a highly recruited player. He gave updates on many local players who are now in college or higher.

He reported on the reclassification of high schools in Georgia.
