**October 18 2013 2-3**

The Fort Oglethorpe Kiwanis met at Hutcheson Medical Center on October 18 at noon.

We had 14 members and 1 guest in attendance. Dwight Watt presided.

Ross Andrews presented the inspirational moment

Due to a slight mix-up on programs we featured 3 programs today.

Britt Schaffeld presented the main program speaker.

Jeff Joiner gave a presentation that was very inspiring about having had two heart transplants and recovering from a stroke. He told how playing music had helped him thru and the different experiences of coming to and recovering from the heart transplants. He reported he is in the best shape in his life and probably tired us on all that he is doing. He summarized with how important each individual day is.

Dwight had brought several computer toys from the 1960s that he showed the group including a 3 bit toy computer from 1963 and a computer football game from 1968. He showed his dad's slide rule that Cathy and Doris were seen trying to remember how to use.

PR and David last spoke about the Rick Honeycutt tournament on Tuesday. Monday night is a dinner and auction and all members are invited to attend and help. It is from 6:30-9:30pm at the Renaissance ([630 North Avenue, Rossville, Georgia 30741](http://www.renaissance.com)). Tuesday is the tournament at Battlefield Golf Club. We need everyone there to help run it. Be there about 10am to help and T time is noon. If you cannot help all day, help when you can. This is our major project for the year. This is the 20th time we have done it and the 30th Honeycutt tournament. If you know any other teams to enter contact PR or David ASAP

Leonard donated 5 t-shirts that were given away as door prizes.

Next week will be the board meeting after we have a short meeting. All members can attend the board meeting. See you then as we all recover from the tournament  
Remember the Honeycutt on 10/22
