

**Ft Oglethorpe Kiwanis Newsletter**  
**November 15 2013 2-7**

The Fort Oglethorpe Kiwanis met at Hutcheson Medical Center on November 15 at noon.

We had 14 members and 2 guests in attendance. Dwight Watt presided

Chris McKeever gave the inspirational moment.

Dwight and PR were presented Walter Zeller Fellowships at the Governor's Banquet Thursday night. In addition the club received a certificate for helping with three golf tournaments in October. Dwight will post pictures on the club Facebook page soon.

Jim "Mr. Christmas" reported we will have a float in the Fort Oglethorpe parade on December 7. We will build the float the week before and more information will be coming on times and location. All are encouraged to help and bring more help.

We are planning an interclub to Cleveland club on Thursday. This gives member to see other clubs and meet more Kiwanians. Bo Shafer (past governor and KI president will be speaking and is a dynamic speaker. David, PR, Leonard and Dwight hope to go and more are invited. Cleveland meets at Noon at Mountain View Inn at exit 25. It used to be called Holiday Inn.

Next week's program will be Jason Thomas, pastor of First Baptist who will speak on a recent Brazil mission trip.

We will not meet on November 29 due to Thanksgiving.

Wayne was in charge of the program.

Samuel Hale of Fillauer Company in Chattanooga was the speaker. They make artificial limbs. He spoke about the progress they have made in artificial hands and arms and how they moved from plain hooks to motorized hooks and now hands and showed us how they hook them to pick up people's nerves. Several members tried it after the meeting and saw how they could control the limbs. He showed us advanced hands and feet.

Pictures from today will be posted to Facebook soon.

**Tell someone about Kiwanis and invite them to visit us.**

**Upcoming events**

Ft Oglethorpe parade with our float December 7
