The Kiwanis Club of Fort Oglethorpe presented Lookout Mountain Community Services TREK program with eight suitcases for their foster care program.

TREK stands for Therapeutic Resources and Environment for Kids and many children who enter the program leave their homes with their belongings in garbage bags. A request for new or gently used suitcases or duffel bags prompted the club to make the donation when John Brewer spoke today. Mr. Brewer also spoke of the need for foster and respite care givers in our area. The program provides free training, monthly compensation and 24-hour on-call support for those who participate in the program.
