June's programs will be interesting. June 7 we will have Coach Stephenson from GNTC discussing the athletic program. June 21 Dr. John Derden from Swainsboro will be speaking about his recent book on Camp Lawton, the Confederate prison camp near Millen GA that most information has just become available recently. This should be especially interesting with the 150 anniversary of major battles this year. June 14 will be a surprise (actually I am still working on so surprise to me to, first person had to back out after originally planning to do).
