January 17 2014 2-14

The Fort Oglethorpe Kiwanis met at Hutcheson Medical Center on January 17, 2014 with Dwight Watt presiding with 13 members and 1 guest

Denny Whitesel did the inspirational moment about the command to love one another.

Denny Whitesel presented the program.

Stacey Kaufmann gave an update on Hutcheson hospital. She said it is a med-surg and community hospital. The goal is to serve 90% of our medical problems. She explained the closing of the women's clinic. The hospital has elected to stay independent for the current time and will be posting new logos. She told us about the great possibilities of the GI clinic at Hutcheson on the Parkway and it should grow that location

Congratulations to Leonard for being name to the Best of the Best by the Chattanooga Times-Free Press.

Tell someone about Kiwanis and invite them to visit us.

Upcoming events

February 7-8 is the K-T District Mid Winter conference. Dwight and PR are attending.

Our 60th anniversary is June 29. I am appointing a committee that will plan our celebration. If you would like to serve on the committee please let Dwight know. Leonard will coordinate it. Ideas include a banquet with past members invited (current members will have to contact them or let us know addresses or email addresses), state officers, etc. Also a suggestion I like is for us all to commit to 60 minutes service in June and we list that in our program of places we did 60 minutes extra service for. Prospective date is June 23 or 24

The Distinguished Services Awards (DSA) banquet is coming up this spring also and we need volunteers to get it together. If you are interested in helping let Dwight know.
