The Fort Oglethorpe Kiwanis met at Hutcheson Medical Center on August 15, 2014 with Dwight Watt presiding with 61 members and 3 guests present.

Kim Bruner gave the inspiration moment

David reported on the convention

Ross was in charge of eth program and Doris introduced the speaker. Brad Bennett, the new park superintendent, and prospective member spoke. He talked about his start in the park service. He initially volunteered at the Grand Canyon. He showed the new brochures for Chickamauga Park. He was in the national design office of parks for awhile

He has 23 years experience in national parks. He worked at a park in Alaska for 6 winters (they measure in winters there instead of years) and he said he and Em and boys were glad to be back in the south where summer is longer than July. He last worked at Andersonville. He gave each member a folder full of information

Our club has a major story in the August/September issue of CatoosaLife magazine.

Orientation for new members (and education for longer members) will be August 29. It will count to your 90K pin.

We are planning an interclub also that counts to 90K pin.
