Greg Anderson did the inspirational moment

PR reported on the Gordon Lee HS Key Club and reported they have 57 members and doing well with new club advisor.

Doris was program chair and introduced Charlie Callari.

Charlie Callari is with Blood Assurance and talked about their program. Five percent of the population donates blood. They just opened 15th donor center and it is in Kingsport. He discussed ways to donate blood, how often and how long it lasts. Platelets last 5 days and red blood cells 42 days. They throw away less than 1% due to age. He encouraged all of us to donate blood.

They will be doing battle of badges soon where the sheriffs of Walker and Catoosa work to get most donations.
