The Fort Oglethorpe Kiwanis met at Hutcheson Medical Center on January 3 2015 with Dwight Watt presiding with 10 members present.

PR discussed Backpack Blessing project. He would like two teams to help them with teams alternating weeks. We need 2 volunteers to be team leaders. Information and schedule is attached. David and PR are doing Tuesday

February 13 Jimmy McCorlew, governor of the Georgia District will be visiting our club. Plan to be here to see two current governors at one club meeting

Doris was program chair and introduced the husband of her dental hygienist as program. Denny Whitesel was the speaker and spoke about the Center for Hope (we will still help clean new building in spring) and Hutcheson. He said both are busy with census up at hospital and births again and more people needing services at the center for Hope. He also talked about and we joined in with best things in 2014.

Denny will give humor at end of meetings now.

Tell someone about Kiwanis and invite them to visit us.
