Greg gave the inspiration moment

The Governor's Banquet has been delayed. Watch for future information

Chris McKeever was program chair and introduced the Star student, Anna Kim, and STAR teacher, Lisa Beck

Lisa Beck spoke about her life. She will be a 1st generation college student and her parents are immigrants from Korea. Math and science are her best areas, and she likes biology and genetics. With science she discovered there is no language barrier as she encountered in other places/ She has been admitted to University of Chicago and Georgia Tech and others and is deciding where to go. She told us the different ways Mrs. Beck has inspired her.

Chris gave them both their certificates and gave Anna a \$700 scholarship form the club
