Wayne did the inspiration moment

Jeff was program chair and introduced mayor Earl Gray. He updated us on things in Ft Oglethorpe. He mentioned the current budget is \$14.2 million and was \$80,000 when Leonard was mayor. He updated about the street project and trail plans. He told us about growth plans which is recruiting retail as there is no space in the city for industry. He told us Golden Corral (state fire marshal approval is current part) is getting plans to rebuild done and that Firehouse subs and others are coming.
