The Fort Oglethorpe Kiwanis met at Park Place on August 12, 2016 with Dwight presiding with 13 members and 3 guests present.

Greg did the inspiration moment

Greg was program chair and introduced Jessica Long, CEO of Cornerstone Medical Center.

She told us about the transition from Hutcheson to Cornerstone. Apollo began management in December and on May 12 with Apollo now owning it became Cornerstone. They have hired over 200 and have begun renovating the building. They are operating 12 beds now.

They just went thru accreditation last week and were recommended fro accreditation. Their aim is to be a general hospital and leave specialties to Chattanooga.

The cafeteria/food is being run by Parkside and they are looking at opening to the public again and having clubs meet there.
