Ross gave the inspiration moment

Dan introduced Jerry Smith from Recovery at Ringgold.

PR introduced Bo Shafer, Former Kiwanis International president.

Bo gave an inspirational speech on the difference we can make in our lives and other lies. He reminded us how well and fortunate we are as Americans compared to the rest of the world where many have a 1 room dirt floor hut with no bed and no electricity and running water. He said you are well off when you water the lawn with drinking water. He challenged us to encourage people. A smile changes everything. Don't die before you are dead. Be a thermostat not a thermometer.
