Speaker

Who: David Stephenson, Athletic Director at Georgia Northwestern Technical College

What: GNTC added sports to move closer to a typical college experience. They have men's and women's basketball, women's volleyball, men's golf and cheerleading. The Rossville Athletic Complex is their home court. They recently achieved United States Collegiate Athletic Association (USCAA) accreditation. The college has 6 campuses, including a new campus in Ringgold. They received funding to expand the Murray/Whitfield campus.

How can we help? The sports program receives funding from athletic fees and donations. They are not part of the school budget and they do not receive money from the school foundation. We can attend sporting events and other campus events. We can tell other people about their events so that they might also attend. We can donate bottled water, sports drinks, towels, etc. to the teams.
