The county is now involved in a multi-county vaccination effort at the Colnade and the fire department is involved. They are following a plan developed in early 2000s in the Anthrax scare. and used in 2008-09 with H1N1. They started indoors at Colnade and now have moved outdoors. He encouraged people to take the vaccine which most in attendance had done.

After the meeting the club gave a check for \$320 to Stacie Brasher with Building The Blue Bridge.
