Dan introduced Chris Eaves who is LFO athletic director who brought two students with him. Malachi Powell, quarterback for football and 3 sport player. Taylor Bono who plays track and softball.

Chris Eaves told how they follow LFO mission for students to succeed. Academics get tests, athletics to win championships. One region team championship last year, 12 athletes graduated with honors. He is working to get athletic teams to work together and with the whole school.

Now the coaching staff has to know students below high school and know those programs so those students go to LFO and not transfer.
