Fort Oglethorpe Kiwanis met on June 8, 2018 at Park Place Restaurant with Dan presiding with 9 members and 1 guest present

Chris did the inspiration moment

Ross introduced Heath Stewart who does collision reconstruction. (No he is not competing with 2A Auto). He is a former state trooper.

He figures out how a collision occurred. He talked about history of this in Georgia and he was one of first to do state patrol and it helped prosecute drivers. He uses math, physics and technology to do it. Since 2006 he has run his own company to work in civil suits in accidents with deaths. and does reconstruction for court. It was interesting how they now use drones and also can reconstruct a wreck (he prefers not to call accidents) several years later. His company based in Ringgold does wrecks all over the country.

Upcoming dates:

July 26 Blood drive with the park

August 17-19 District convention Gatlinburg TN
(election for governor)
