Denny gave the humor moment

Dwight was program chair and introduce the speaker. Rocky is a former student and now colleague of Dwight.

Rocky Spurlock spoke about Farleycon. Rocky full-time job is teaching about computers at GNTC.

Several years ago he started Farleycon which is a comics convention held in East Ridge. He initially had it as a wrestling and comic convention but after one year dropped the wrestling part due to space. It is named for a guy that Rocky used to professionally wrestle with.

The convention is a smaller comic convention but draws large crowds. He has kept the admission lower so more families can attend. His admission is \$5 for adults. He held it last in March about one week before everything was shut down. He is hoping to have the next one in the spring. He had wanted one next month but not workable due to virus. Plans for spring will depend on the virus.

In addition to the comic dealers he brings in special guests. He has had actors fro the Walking Dead and comic drawers and others. He donates money from the not so silent auction to several charities for children, one that gets ocular implants for children.

This coming Friday 7/31 will be business meeting and board meeting. All members are invited.
