Dwight did the program. He spoke about the Daisy National BB Gun Match he was at in Rogers Arkansas earlier in the week. This was the 53rd annual match. It is the culmination of a gun safety program run by different groups with the top 3 teams in state matches competing. This yer there were 56 teams and over 400 kids. Kids 8-14 compete.

This was Dwight's 25th match. He started in the program as a chaperon then coach and helped coach several teams at the nationals. He promoted the gun safety program and the match nationally for three years for the Jaycees. In 1999 and 2000 he ran the match in Atlanta. He has been webmaster for the match since 1999 and took about 1800 pictures this year. The match has an opening and closing ceremonies that are elaborate like Olympics and then the kids shoot in
