**Congratulations  
Zaylee!**

God bless you Zaylee! We are so incredibly proud of you. Keep up the great work.

 Congratulations, Zaylee! 

Swainsboro High School junior Zaylee Braddy has made school history as SHS's first student to earn her Certified Nurse Aide (CNA) state license! 

Zaylee completed the year-long Accelerated Nurse Aide Program at EDGE College & Career Academy as a sophomore under the instruction of Leann Murray. The state-approved program combines classroom instruction with hands-on clinical experience to prepare students to provide quality care in a variety of healthcare settings.

She also participated in the inaugural Summer Bridge Allied Health Program, a partnership with Emanuel Medical Center that gives students additional experience in the healthcare field.

Now a junior, Zaylee plans to continue her medical pathway and pursue phlebotomy.

We are incredibly proud of Zaylee for taking advantage of these opportunities and reaching this milestone so early in her high school career!
