

Dear Calvary UMC Family,

I cannot believe this is my last Sunday with you. Time sure has flown. These past four years together have been time well spent. I have fostered friendships here that I know will last a long time.

Change can be difficult. Pastoral changes are no different. While it seems like we haven't had enough time to learn everything there is to know about each other, I do know some things. I know this church can do some great ministry, and can love people as Christ has loved you. I know that this church is fantastic about taking care of each other, and extending care to those outside as well. I know Pastor Tom will offer great leadership to further these ministries. My mind is more at ease knowing that he will be here to lead you.

I have been praying for you since I found out about this transition, and will continue to pray for you. I hope you will do the same for my family, me, and Twin City UMC.

I will miss you, but we won't be far away from each other. I know I will see Calvary do great things in the future and it has been my privilege to be a small part of that.

Grace and peace,
Pastor Mark
