

# JOIN THE CELEBRATION OF THE ARTS IN SOUTHEAST GEORGIA!

**Arts Emanuel 2008** will be held Saturday September 27 beginning at 10am in downtown Swainsboro. Past years' events have drawn more than 1000 people to Swainsboro. Organized by the Emanuel Artists Guild with the Emanuel Arts Council, the Arts Emanuel festival will feature visual and performing arts with live performances, art exhibits, and hands-on art projects--all free to the public. There will also be an Artists' Market and food vendors.

**A community festival**, Arts Emanuel encourages the participation of civic organizations which would like space featuring an art activity or a fundraising project, along with an opportunity to provide their information to the public. Art organizations from throughout the region are being asked to join this effort. Booth space to civic groups is provided at no cost; however, each group will be responsible for their own supplies and materials, including tables and tents. Groups that are willing to host a hands-on art activity will be provided with supplies, including tables and chairs. Space is allotted at the discretion of Arts Emanuel.

**Artists and Vendors are needed.** The Artists Market draws participants from throughout the region, providing festival visitors with a unique shopping experience. Vendors selling a variety of food are being sought. Emanuel Arts Membership is required (\$20) for Artists Market participants and food vendors.

**Sponsorships are available**, beginning at \$50. The sponsor logo will appear on the official t-shirt and the festival brochure. These funds go directly to promotion of the event. **DEADLINE FOR SPONSORSHIPS IS SEPTEMBER 5.**

***Please sign up for your chosen activity NOW! Space is Limited.***
