Infractions will be noted and one warning will be issued to the shooter and his or her coach. A second infraction will result in the deduction of 10 points from the shooter's score, and the third infraction will result in disqualification of the shooter (Rule 9.30). While spectators are allowed in the range during competition, chairs and groups must be set up outside of the range. Spectators will only be able to sit in the bleachers and chairs already set up by match staff. Staff reserves the right to expel disruptive spectators from the range.

**REGISTRATION:** Registration will be held Wednesday, July 3, from 6:30am to 2:30pm at the John Q. Hammons Convention Center.

**FIRING POINTS:** Daisy will randomly select and assign firing points for each competitor. Your firing point will be given to you at registration. Champions will practice with the team they shot

with last year. If you are here as an individual without a team you will practice with other Champions on your assigned firing point. Please refer to the match schedule for your practice time and the times you will shoot your match. You will only be allowed to shoot on your assigned firing point for your scheduled time.

**SCORING:** We will be using the Orion scoring system for all targets. Targets will be scored, and a shot summary sheet will be posted at the end of each shooting day. There will be a 30-minute review time to look over your scoring summary sheet and targets. Each team will be given one pass to the target review room. Coaches will be looking for administrative errors where the shot is not a reasonable interpretation of the actual shot. Coaches may be allowed to view that shot in Orion if there is an error. There will be no scoring challenges to targets that have been scored by the Orion System. Once the targets are reviewed, the coach will turn the targets upside down on the table and sign the back of the top target. Targets will not be allowed to be removed from the scoring room. Any targets missing at the end of the challenge time will be given a zero. Times for review will be posted when all targets have been scored at the end of each day. Use of scoring plugs will not be allowed (Supersedes NRA rule 14.3.1.). Changes from the rule book as indicated in the match program have been approved by the National Rifle Association.

**RULES:** The current edition of the NRA BB Gun Rules will apply. Conduct of the DNBBGCM will be governed by this Official Match Program and the current NRA 5-Meter BB Gun Rules but may be modified by this Official Match Program or by a Match Director's Bulletin.
