GENERAL CONDITIONS

This championship is an individual level match only and is a registered match. All guidelines for registered matches will be followed. All challenges and protests are resolved on the match site according to procedures outlined in the NRA Rule Book Section 16.

RULES: NRA Sporter Air Rifle rules shall govern this Championship.

MATCH OFFICIALS:

Match Director: Gary Jobe

Statistical Officer: Mary Furr

Referee: Clyde Furr

INDIVIDUAL MATCHES – Open to any individual who meets the eligibility requirements of NRA Rule 2.3.

INDIVIDUAL NUMBER OF PARTICIPANTS – An organization will be limited to a maximum of 3 participants per organization with a limitation of a total of 72 participants for the entirety of the event. Should a participant no longer be able to participate they will be removed from the roster and their spot will not be filled.

Eligibility: Age of Competitors: The age of the competitor shall be determined by the date of the first shot going down range for each tournament. If a competitor has a birthday on July 6, 2023, and they turn 18, they are not eligible to shoot in the DNARCM 2023 Match. Photocopies of each competitor's birth certificate must be available on request.

PARENTAL PERMISSION: Each shooter is required to have the following forms completed by a parent: Media Release, Medical Authorization and Liability Release. These forms must be signed by the competitor's parent or guardian and returned with the other registration forms before the competitor is permitted to participate in the Match. **Reminder - all forms must be completed online at www.daisy.com.**

NRA MEMBERSHIP NUMBER – NRA membership is not required. If you are a member of NRA, indicate your membership number.

NRA National Record: To set an NRA National Record, you must be a current NRA member, or your club must be a current member.

ENTRIES CLOSE: Individual match entries must be received no later than May 19. There will be no registration fee this year unless you miss the deadline.

A \$25.00 late fee is required if entries are turned in after May 19; we will not accept any late registration after May 26th, no exceptions.

ENTRIES LIMITED: Entries are limited to the first 72 competitors, which is the capacity of the range for the time allowed. Persons making entries within the time limit which cannot be accepted will be notified.

SCORING: We use the Orion scoring system for all targets. Targets will be scored, and a shot summary sheet will be posted, at the end of each shooting day. There will be a 30-minute challenge period to look over your scoring summary sheet and targets. Each team will be given one pass to the target review room. Coaches will be looking for administrative errors where the shot is not a reasonable interpretation of the actual shot. Coaches may be allowed to view that shot in Orion if there is an error. There will be no scoring challenges to targets that have been scored by the Orion System. Once the targets are reviewed, the coach will turn the targets upside down on the table and sign the back of the top target. Targets will not be removed from the scoring room. Any targets missing at the end of the challenge time will be given a zero. Times for the challenge period will be posted when all targets have been scored at the end of each relay. The use of scoring plugs will not be allowed. (Supersedes NRA rule 14.3.1). Changes from the rule book as indicated in the match program have been approved by the National Rifle Association.

SAFETY: Safety is the foremost priority in all shooting sports activities, including this match. Participants and coaches must be aware of and adhere to all safety precautions, including but not limited to:

- A) Carrying and Handling Rifles.
- B) Clear Barrel Indicators are mandatory.
- C) All range commands.
- D) How to clear a loaded rifle when a "STOP FIRE" or emergency occurs.

CHALLENGE PERIOD: Targets will be scored, and a shot summary sheet will be posted at the end of each shooting day. There will be a 30-minute challenge period to look over your scoring summary sheet and targets. The start and ending challenge time will be posted by the statistical office. Competitors or Coaches will not be able to challenge a match after the challenge time for that match has ended (Rule 16.1(a) and 18.11).
