"Kiwanis Times 5K Run in Soperton"

Six members of the Kiwanis Club of Swainsboro, traveled 24 miles to Soperton, GA to time a 5K Run. The Soperton Church of Christ, as sponsors, contacted our Club and asked us to provide the personnel and equipment for their planned Run. Several times a year, our Club travels to different communities to provide professional help in directing 5K, 10K and Fun Runs. Besides experienced people, we bring with us the following: 1 large timing clock, 3 hand held digital times with printers, finishing gates, starting megaphone, registration table and finishing table, finishing board with male side and female side, finishing cards, and a cheering section for the finishers. If you would like for us to provide our assistance, please contact Chair Tim Goodman at 478-494-4741 or e-mail him at goodman@ega.edu
